1       Whereas, Arizona's teachers provide basic fundamental skills to our  
2 youth in the classroom, inspiring children to be the best that they can be;  
3 and

4       Whereas, new teachers have numerous career opportunities in the job  
5 market yet choose to serve this state as classroom leaders with humility,  
6 integrity and compassion day in and day out in the frontlines of learning;  
7 and

8       Whereas, lifelong teachers have dedicated years of experience one  
9 generation after another as mentors, role models and instructors who are  
10 committed to building fine young minds; and

11       Whereas, retired teachers not only leave a legacy of young children and  
12 teachers who have learned by their example, but also leave a distinct mark on  
13 the hardworking citizens, scholars and college graduates who learned their  
14 skills in the seats of their classrooms; and

15       Whereas, teachers who volunteer to teach in our lowest income  
16 neighborhoods, who labor with patience and compassion with our special needs  
17 children and who cultivate culture and liberate our language learners with  
18 proficiency in English should be commended for their tremendous efforts.
